

Superior compared to Deluxe type:

The Superior alternative is without:

- fireplace
- Sonos music sound system
- television
- Siematic kitchen with Miele equipment
- stucco ceiling ornaments
- bathaccessoires
- wardrobe, the content (inclusive the lights) of the garderobe and the walk-in-wardrobe
- some of the apartments have got less bathrooms

Changing elements from Deluxe to Superior:

- the height of the interior doors are 213 cm instead of 223,5 cm
- the 3-layer plank of the parquet floor is 18 cm wide instead of 26 cm
- instead of the stainless steel switches and the multiple sockets from Jung it will be plastics LS 990 (in white or grey) from Jung
- instead of the Villeroy and Boch bathtub it will be a bathtub from Mediano Hoesch
- the toilet is not from Duravit-Starck but from Euro Light Wand in white
- the doors of the washmachine place and the garderobe is in white instead of wenge
- the door to the walk-in-wardrobe and the door to the bathroom will be a revolving door instead of a sliding door
